Permissions

 Active

Designates whether this user should be treated as active. Unselect this instead of deleting accounts.

 Staff status

Designates whether the user can log into this admin site.

 Superuser status

Designates that this user has all permissions without explicitly assigning them.

Groups:

Available groups

Choose groups by selecting them and then select the "Choose" arrow button.

Chosen groups:

Remove groups by selecting them and then select the "Remove" arrow button.

User permissions:

Available user permissions
Choose user permissions by selecting them and then select the "Choose" arrow button.
